Good Morning,

That shouldn't be a problem for the programs. Do you have address, city and state of the properties mentioned in your request ? I look forward to hearing from you.

Thank you Ms. Wheatly,

The FOIA number I included in my request is the only number that I have. Perhaps it is incorrect.

Can you do a search based on the content of the request, rather than the number?

Thank you

Good Morning,

On September 20, 2016, an email was sent to you regarding your request for records. The FOIA # provided in your request, 05-FOIA-00573-10, is not a valid FOIA#. In order to provide a link to the records you refer to in your request I will need a valid FOIA #. I look forward to your response.
